# HP Corporate Employee Purchase Program

The HP Corporate Employee Purchase Program (EPP) is a great perk for your employees. This program offers a tangible benefit for all of your employees by providing every day discounts on personal and commercial products that are not available to the public.

## What is the HP EPP?

The EPP is a special promotion program set up for your organization and employees. We offer an exclusive shopping experience with savings up to 35%, free shipping and dedicated support. This win-win opportunity meets the needs of employers and employees, by rewarding your workforce with exclusive offers and discounts on HP.com.

## What do you need to pay?

**NO registration fees.** We want you to enjoy this benefit free of charge.

**NO annual fees.** Our team will maintain your account and secure EPP portal with no hidden costs or fees.

**NO marketing fees.** HP will be absorbing all these costs for you.

## Why should my organization consider this program?

HP will provide a customized and secure EPP shopping portal with the use of company codes. Once your company code has been assigned, your employees will have immediate access to discounts on some of the hottest HP personal and commercial products, including configure to order and third party accessories. There are no contracts or agreements to sign to set up EPP portal.
